

# PUBLIC LEDGER

SIXTH YEAR.

MAYSVILLE, KY., FRIDAY, JULY 23, 1897.

ONE CENT.

## Purely Business!

The columns of a newspaper represent a cash value. No publisher can afford to give advertising "notices" free any more than a merchant can lose over his counter the gift of dry goods or shoes. A newspaper is a business, and its columns are its stock in trade, and advertisements should be paid for, no matter in what part of the paper they appear.

## The Continued Calls

Upon THE LEDGER for free notices have become so burdensome that we are forced to publish the following notice:

## For Notices of Nuptials,

marriages, divorces, or other public notices, where a fee is charged, and for obituary notices, reductions of space, etc., THE LEDGER will charge FIVE CENTS A LINE, and heretofore this was the unvarying rule. This, however, is changed.

## Does Not Include

notices of Lodge meetings or Church services, which must exceed ten lines.

## Avoidance of Disputes.

Misunderstandings are unpleasant. The rate for business notices in THE LEDGER is 10 cents a line for the first insertion and 5 cents a line for subsequent insertions. A customer orders a five-line notice inserted in the paper. "I'll tell you when to take it out," he says to the bookkeeper. But he forgets all about it. The notice runs for two months—20 times—the bill is \$10. When he finds it out, there is a "kick" and a controversy, followed possibly by an ugly feeling. Now there is a "kick" and a controversy, followed possibly by an ugly feeling. Now there is a "kick" and a controversy, followed possibly by an ugly feeling. Now there is a "kick" and a controversy, followed possibly by an ugly feeling.

All matter for publication must be handed in before 9 o'clock in the morning of each day.

If you have an item of news, please call up THE LEDGER, Telephone 33, and send it in.

## We Must Make Room

In anticipation of a big fall trade, and realizing that goods pertaining to our lines will advance in great many ways already, we bought early and largely. We are already beginning to receive shipments. Moreover it will not be long before our great line of Men's Shoes will come in, so you see we must make room. Now, if you will look in our windows and see the line of suits we are offering at \$10 you will assist us in making room. All of our Fancy Cheviot Suits, in checks, Plaid Stripes, etc., suits that we sold at \$18, \$16.50 and \$15, go in this sale.

No house in the state ever did or ever will offer a line of Suits like these for the price,

## :-: \$10.00!

It is the greatest sacrifice sale we ever made, but as our patrons will be benefited, and it secures us more money, we will only be too glad to have you take advantage of this sale. We have no room to quote prices on our more medium grades, but the entire stock will be sold at proportionate prices.

Please bear in mind this: No Suit will be sent out on approval. No Suit will be charged. Only

## :-: CASH!

Will buy the goods during this sale. Money, however, will be cheerfully returned if goods don't suit upon home examination.

ANOTHER WRECK.

A Couple of C. and O. Freight Trains Come Together Last Night.

Last evening C. and O. freight in charge of Engineer Blunt had a head-on collision with another freight in charge of Engineer Quinan.

Ottie Dora, "Red" Costello, James Hason and another man whose name could not be learned broke into Jackson's Photograph Gallery on Limestone street Tuesday while Mr. Jackson was at dinner. Dora, who is herself a photographer, undertook to photograph the rest of the gang, but the chief aim of the whole set seemed to be to break the fixtures of the gallery and play havoc generally.

THIRTY DAYS LABOR.

This is the Dose a Couple of Streetcar Obstructors Got Yesterday.

Mention was made yesterday that Dick Cummings, a seventeen-year-old chap, had been arrested for stealing the "bond wires" out of the streetcar track in the neighborhood of the Cemetery and Fairgrounds.

He had a hearing before Judge Howes and afterwards before Judge Hutchins, when he "fessed up" to repeated thefts, at the same time implicating Lewis "Bud" Wilburn, who is a year older.

The latter also pleaded guilty, and Judge Hutchins fixed their punishment at 30 days each in Jail with hard labor attached.

For about a year past the Street Railway Company has been annoyed by these petty thefts.

The worst feature of that the removal of the "bond wires" occasioned the burning out of armatures, the cost of replacing which is some \$20.

The thieves would sell the copper wire to junk dealers at 4 cents a pound.

Now that the originators of this trouble are behind the bars, it is hoped they will have no successors.

People who have been standing on the corners "cussing" the cars for not running more regularly can now appreciate some of the disadvantages under which they have been laboring.

ADJUDGED INSANE.

Mr. F. C. Petry the Well Known Cigar Manufacturer of Unsound Mind.

Yesterday afternoon, before Judge Hutchins and a Jury, Mr. F. C. Petry was adjudged insane.

Mr. Petry is about 50 years of age, unmarried, and has been a resident of this city for nearly thirty years.

For a long time he has been engaged in the manufacture of cigars, in which he has been quite successful, having accumulated an estate of about \$40,000.

His ailment has been manifest for several months, but not until within the past few weeks has it been considered imprudent to let him go unrestrained.

In common with his many friends THE LEDGER regrets the misfortune of Mr. Petry, and hopes that careful treatment may restore his mind.

Among other vagaries he imagines that he owns all the railroads in the United States, has money in various banks, and controls other vast properties.

The Court appointed A. M. J. Cochran, Esq., a Committee to take charge of his person and estate, and he gave bond with Robert A., William D. and Horace J. Cochran sureties.

Mr. Cochran, in company with Chief Ort and Captain John T. Martin, last evening took Mr. Petry to Cincinnati, where he will be placed under treatment.
